## **SUGARLOAF INTERCONNECTOR PIPELINE PROJECT**

Thank you to all those that took the time to advise us of the meeting arranged by Melbourne Water. **Wesley Turnbull, Communications Officer at Melbourne Water** also advised the Township Group directly of the meeting. Details are as follows:

### **YARRA GLEN**

11.00am until 1.00pm

**Victor Gilevitis** is the Project Manager and he can be contacted on **9235 2568**. More information is also available on the website: [www.ourwater.vic.gov.au](http://www.ourwater.vic.gov.au).

## **WIND MACHINES**

**Barry Sheffield**, as well as being pro-active on the Pipeline Project (he forwarded our group a copy of the letter he sent to the local member, **Ben Hardman** to our group) has raised concerns regarding the recent issuing of permits for the construction of wind machines in vineyards located in the Yarra Valley.

He requested that we discuss the matter at our next meeting on **30<sup>th</sup> August** at 6.00pm upstairs at 12 Bell Street, Yarra Glen. We have added this item to our agenda, and welcome anyone who wishes to express a view to attend the meeting.

## **THIS WEEK'S PERMITS**

Two permits of direct interest to our district were applied for in the past week:

A permit for the construction of a dwelling in Merlot Court, Yarra Glen and a permit for the change of use to winery and licensed premises in Hunt's Lane, Dixons Creek.

## **AGM's**
